So, It's Just That Easy?

Yes! You provide the cake and we provide the fun. Simply call and schedule your child's party at least two weeks prior to the event. Remember that available dates fill quickly. Provide us with each guest's contact information and we'll even send out the invitations! Choose between traditional paper invitations and our unique online "e-vites" to notify your guests of the event. Once you receive the RSVPs please provide us the final guest list one-week before the party.

DanceWorks will provide seating for the parents of the birthday girl inside the party room. All other parents are invited to observe through our large observation windows. They are also welcome to leave and pick-up their child after the party.
