

# WHY CHOOSE DANCEWORKS?

## Small class sizes!

Maximum 10 per class for 2-4 year olds and 12 per class for ages 5 and up (with the exception of our Jazz/Hip-Hop classes). Many classes have assistant teachers to help provide more one-on-one interaction.

## Customer service!

Our office staff is available during teaching hours to help assist you with any needs. This way the teacher does not have to take time out of your child's class to answer questions.

## Spectacular Recitals!

Every child should have the opportunity to perform on the stage! Our optional Spring Recital and Holiday Extravaganza carry no hidden costs and prevent parents from paying for unwanted services.

**DanceWorks can design a program tailored to your child's needs, whether it is a class once a week for fun and exercise or a special program for the more serious dancer. DanceWorks allows you to customize your family's experience by providing options.**

- ★ Our spring recital and Holiday Showcase are not mandatory.
- ★ Your child can take our combination classes to save money while focusing on more than one discipline. Another option is to take a full-length class for each discipline.
- ★ If your child was born to perform, we offer two teams that provide additional performance opportunities.
- ★ During the summer months we offer weekly classes as well as Summer Adventures. Our Summer Adventures provide fun, quality dance training intensives that help accommodate your vacation schedule.
- ★ DanceWorks allows you to fit dance into your budget. You customize your experience by choosing what your family wants to participate in.

## Convenience!

Classes at our SIGS location allow you to fulfill all of your family's recreational needs under one roof. SIGS also offers gymnastics, swimming, cheerleading, tai-kwon-do, and a workout facility.

## Make dance fit your lifestyle, not your lifestyle fit dance!

We offer day, evening, and weekend dance classes to work with your family's busy schedule.

## Be efficient!

Save time and money by having all of your children's classes on the same day. We schedule most classes multiple days throughout the week to accommodate families with more than one child.
